An evening of entertainment, free food and drink for the whole family!

URBAN TOUR '07 is your chance to explore and enjoy a self-guided walking tour of Columbia's Main Street with performers, entertainment, food and drink along the way. Businesses will keep their doors open late for this special street fair. We'll also be collecting food for **Harvest Hope Food Bank**, so bring a canned food item to help out (after all, Thanksgiving is right around the corner!).

Start your journey with "cheeseburgers in paradise" and LandShark lager at the Vvision Model Condo on Lady Street (open from 5-6:30pm, 1321 Lady). Then continue your tour down Lady to Main Street all the way to a wrap-up party with food, drink, and live music at Tapp's historic fountain room.

Join us for this one-of-a-kind tour and discover what it's like to live, work and play on Main Street Columbia.
